Oh I know I don't own you / but I don't even know if I should p
hone you
Someone sending me letters / saying you've been going with othe
r fellers
And they / bored you / But I / don't wanna cry / or talk for ho
urs
to a machine / on the end / of a telephone line
Oh it just kills me / when all you've got to do is call
Oh do it any time / 'cause there's never no-one home / never no-
one home
Leave your message on the ansaphone / I'm not trying to be cleve
r
but at least we're not still living together
All those calls in the evening / if I answered they'd hang up w
ithout speaking
And they / bored you / But I / don't want to cry / or talk for
hours
to a machine / on the end / of a telephone line
Oh it just kills me / when all you've got to do is call
Oh do it any time / 'cause there's never no-one home / never no-
one home

[Beep!]
"Hello, its me. I just wanted to call and say it doesn't matter
what you get up to.
I just want you to stay in touch. That's all."
Are you really not at home? / Or are you there but not alone?
Screening calls / you don't want to receive / meaning calls
calls that come from me / Oh I / need to see you
It's not enough for me just to hear you / You said you'd be her
e by ten thirty
but you want to stay out and be dirty / Oh it just kills me
when all you've got to do is call / Oh do it any time
'cause there's never no-one home / never no-one home
