```
I know you want me, I know you [4x]
I'm watching you and the way that you move and I
I know you want me [2x]
I'm watching you and the things that you do and I
I know you want me
I know you want me tonight
Yeah [?x]
I [?x]
I see through you [2x]
Yeah, I can see inside of you
Of you [3x]

I can see inside of you
I can see inside
[2x]
Yeah [?x]
I know you want me, I know you [4x]
I'm watching you and the way that you move and I
I know you want me [2x]
I'm watching you and the things that you do and I
I know you want me [2x]
I see through you [2x]
Yeah [?x]
