

Find My Way

Pulsedriver

I feel like I'm flying
I won't touch the ground
My spirit is soaring now
I turned it around [3x]
Better than this
It doesn't get, no, no
Better than this!
All of this was worth it
'Cause I landed with grace
And I, I needed to find my way
To get to the place [2x]

Now I can say
And I, I needed to find my way
To get to the place [2x]
Now I can say
I feel like I'm flying
I won't touch the ground
My spirit is soaring now
I turned it around [3x]
Better than this
It doesn't get, no, no
Better than this!
