

See the Light

Pulsedriver

In your eyes I see your broken soul
And there's nowhere for my spirit to go
See the light that burns inside of you
And I know that I'll be close to you
Into the darkness we can fly
Upon the wings of your desire
I see the light
We've flown around the cloud of love
With you I just can't get enough
I see the light
I see the light
I see the light
I see the light
In your eyes I see your broken soul
And there's nowhere for my spirit to go
See the light that burns inside of you

And I know that I'll be close to you
Into the darkness we can fly
Upon the wings of your desire
I see the light
We've flown around the cloud of love
With you I just can't get enough
I see the light
Into the darkness we can fly (into the darkness)
Upon the wings of your desire
I see the light
We've flown around the cloud of love
With you I just can't get enough
I see the light
I see the light
I see the light
I see the light
