

Take Me Away

Pulsedriver

I can feel it (2x)
Rushing over me
Won't you set me free?
(2x)

You take me on up to the top
As you take me high above
You take me on up to the top
We can fly on the wings of love

I can feel it (2x)
Rushing over me
Won't you set me free?
(2x)

You take me on up to the top
As you take me high above
You take me on up to the top
We can fly on the wings of love

You take me awaaaaaay (8x)

I can feel it (2x)
Taking over me
Got a hold on me
(2x)

You're pulling me up, it's higher love
As you take me high above
You're pulling me up, it's higher love
We can fly on the wings of love

You take me awaaaaaay (8x)
