

Is It Because

Puma Blue

Why won't you stay with me
And why won't you wait with me
Is it 'cause I'm not yours

And why won't you touch my lips
And why won't you hold my hips
Is it because I paused

He cannot look at you
The way that I used to do
Is it 'cause he's not yours

Are you ashamed of me
You're falling away from me
Is it 'cause I'm not yours

And why won't you bleed with me
And how could you toy with me
Is it because I paused

Are you afraid of me
I know that you want to be
Is it 'cause you want more

And why won't you play with me
And why won't you lay with me
Is it 'cause I'm not yours

Is it because
Is it because
Is it because
Is it because
