Like It's Going Out of Style

Punch Brothers

Don't look up
It'll break the spell
You'll miss it when it's gone and no one knows when it'll come
back around
So love me like it's going out of style

Don't look down
When you're on the edge
We all lose faith
But miss it when it's gone and love
It's always gonna come back around
So miss it like it's going out of style

Singing out
When we grow up
We'll have it all

Singing out
(Don't look back)
When we grow up
We'll have it all
(There's nothing there)
Yeah
(Move so fast)
When we grow up
(Chase it when it's gone and you can miss it when it comes back
 around)

Our true love is reflected in the change
We embrace for one another
And our true selves live forever in the change
(Live forever in the change)
We're affecting one another
So forge head
Knowing you just have to miss me when I'm gone and love I'm alw
ays gonna come back around
'Cause I love you like it's going out of style
