

Loot, Shoot, Electrocute

Pungent Stench

Charged for murder
First degree
Fingerprints agree
Searched my home for evidence
Cause for this offense
I am the scapegoat for authorities
A suspect without alibi
Testimonies were utmost doubtful
Still they sentenced me to death
Execution
On the chair
I yield to despair
Visitation
From a priest
Ransom for the Beast
Washed my Body
Shaved my head
No more tears to shed plugged the power
Took my life
Fried my ass at five
