

# Fogo Island

PUP

Fogo Island we found ghosts  
Lost my lover on that eastern coast  
This forest grows  
Forevermore

Whoa-oh, whoa-oh  
Whoa-oh, whoa-oh

All these places that I've been  
All these lovers that didn't mean a thing  
To me  
Honestly

I wish I knew, whoa-oh  
Do you want to come back to me  
'Cause I still think about you, whoa-oh  
Don't go tearing my heart out

Whoa-oh, whoa-oh  
Whoa-oh, whoa-oh

Dirty waters in my soul  
And I can feel it in my head, shoulder, knees  
And toes  
But I'm alone  
No-one knows

I wish I knew, whoa-oh  
Do you want to come back to me  
'Cause I still think about you, whoa-oh  
Don't go tearing my heart out

Whoa-oh, whoa-oh  
Whoa-oh, whoa-oh

Whoa-oh, whoa-oh  
Whoa-oh, whoa-oh  
Whoa-oh, whoa-oh
