

## PUPTHEBAND Inc. Is Filing For Bankruptcy

PUP

I think I'm gonna blast off  
Too old for teen angst, too young to be washed  
If that's the hand that feeds, then I might as well just cut it  
off

I used to be reckless and too broke to eat  
Now all of my friends have bidets in their ensuites  
I burnt every bridge, they said, "You're done in this town"  
Yeah, how's that working out?

I'm failing upwards again  
I might pull it off  
If I don't fuck this up before it pays off

So you're selling insurance? That's so inspiring  
Give me two more years, let me know if they're hiring  
I'll be honest, it felt pretty great  
The free shoes and the critical acclaim  
I sold those Nikes, I bought a new guitar case  
It's called protecting your investments

I'm failing upwards again  
I might pull it off  
If I don't fuck this up before it pays off

Ba-ba-ba-ba-ba-ba-ba  
Ba-ba-ba-ba-ba-ba-ba  
Ba-ba-ba-ba-ba-ba-ba

There's no place I'd rather be instead  
Even though everybody here is fucked in the head  
I'm truly grateful for the life that I've led  
I'm just being dramatic

And failing upwards again  
I might pull it off  
If I don't fuck this up before it pays off

Thanks for having us  
It's an honour  
And I just wanna thank  
All the sponsors
