This is your feelings so don't murder me

I've got something to do for tomorrow
But my head is pull up on my pillow
We never knew what's next we've knownd
Come through the future from the day left row
[?] source coming , now what about stand while they're talking

What are we waiting for?
Mister the [?]
We've ever read the song
We've burning all along
Word this stunning life [?]
To [?] we're flying
What are we waiting for?
Mister the [?]
We've ever read the song
We burning all along
[?] this song is coming
[?] wrong king

After visual
In wait in [?] hall
In the world of fating
We're waiting for the [?] car
And we keep on dating
But the date is changing
And we keep on dating
And wait for the bae to come

This is your feelings so don't murder me
Yes, you've got that precious things so don't murder me
Doing what people say so don't murder me

[?] please don't murder me
X2

I've got a maintain on the stick [?] party
You got to maintain, uh, don't you interupt
When I [?] my lips tell you well how to go and pop it

[?] stayed a bliss
Got a secret from my baby
Got to break it up
?
?
?
Moving sick and [?] ride it
Follow this flow of this crew
Don't you f*cking fight it
Somewhere [?]
I see that morning coming somewhere
You'll see her wet on the wall [?]
Whatever [?]

After visual
In wait in [?] hall

In the world of fading
We're waiting for the [?] car
And we keep on dating
But the date is changing
And we keep on dating
And wait for the bae to come

This is your feelings so don't murder me
Yes, you've got that precious things so don't murder me
Doing what people say so don't murder me
