Spellbound room 18

Frogga

and now...

i get that ass humpin on that beat sweet position
now we be pumpin up juice up ya vaine mission
adrenalin bounce now burnin up the wheelpowder
this is the ghostbase -turném up even loader!
puppetbeats be droppin down like hot cheese
spillin them dragon-spirit down like the vietnamese
silently droobies from the ghosthouse is thrillin me
ghostbustin ya ghost behind a figure yeah it's me!
ranchrovind down but who the figure in the back?
it must be ya second thought about ya neighbour yeah
its that!

...understand it's yourself up with da new brand
flip the script it's yourself with a new tan!
..subconhustle help me b.o.g oh i must be lost
i see a puppet behind a puppet yeah is a must!
is it a split-screen or myself or a shadow spirit?
..a real ghoast around myself i dont wanna hear it!

Chorus:

spellbound room18 never seen before
watch ya back -we be crawlin 'round ya backdoor
pitchpuckers better listen when the masters 's on
puppets be poppin'up your mind like a thunderstorm..

spellbound room 18

its da room in the back of ya beam!

you see yourself in many shapes on the screen now -
figures be poppin up you have never have seen now!

Snuggles

snuggles the spell bouncing bunny bouncing on a string
he selling ounces worth of ghost shells he running
thing

i keep the money moving through the walls like door to
door

this is the ghost bass pumping rabbits humping on your
front lawn

i put my trunks on, jump into a pool of fear and show
the critters

how the funks born, i keep my punk on in this tale of
ghosts

you turning pale cos its the story of how crunk formed
ha-ha who put the cough syrup in the creature funk
ha-ha you sip our ghost sizzurp like it featured crunk
but this os ghost sarsaparilla these cats be getting
illler

than root bear made of creature spunk and zombies
singing triller!

Chorus:

spellbound room18 never seen before
watch ya back -we be crawlin 'round ya backdoor
pitchpuckers better listen when the masters 's on
puppets be poppin'up your mind like a thunderstorm..

spellbound room 18

its da room in the back of ya beam!

you see yourself in many shapes on the screen now -

Wizard:

Wizard be the lizard G
that's pumping on this wizardry
Officially it's sizzurpy
to put you out your misery
whippin' up some tricks of magic
it's the shit you got to have it
I'm sittin' up up in this tree so come on up and visit
me
I'm stirring up a hoax
a hocus-pocus lunch for folks
I'm stirring up a hoax
a hocus-pocus lunch for folks
with my back hunched in my focused pose
gonna roast a bunch of ghosts for hoes
come poke your knows up where the lizard wizard smokes
his dopest flos
Boom! awake, being
it's room 18
soon you awake things that ain't what they may seem
through the back door, through the cracks in the floor
gonna give you what you askin for
got a vaccine for the crack scene
y'all don't really know what the wizard packin'
