

## Fade Away

Pure Prairie League

(M.Reilly/L.Goshorn)

I wonder if shes lookin good wel I guess she should it  
hasnt been that long ago  
I wonder does she think of me just bein free an all the  
things she had to know  
Think I'll call her up she'll just be wakin' up  
Good morning wife you're sleepy eyed go back to bed  
you're way too high

But I don't wanna fade away... take me back to  
yesterday  
I don't wanna fade away you'll be lookin back at me til  
there's nothin left to see

All to ask if you were free can we meet for maybe just  
an hour or so?  
No I'm all tied up tonight oh well alright but then I  
really have to go  
I don't wanna stay there's nothing more to say  
I don't know what we did was wrong it's over now it's  
been too long

I don't wanna fade away... take me back to yesterday  
I don't wanna fade away you'll be lookin' back at me  
til there's nothin left to see

Won't you even try how can you just let me die  
I can't believe you're goin' home it's empty and I'm  
all alone

I don't wanna fade away... take me back to yesterday  
I don't wanna fade away you'll be lookin' back at me  
til there's nothin left to see

I don't wanna fade away... take me back to yesterday  
I don't wanna fade away you'll be lookin' back at me  
til there's nothin left to see

I don't wanna fade away... please take me back to  
yesterday  
I don't wanna fade away you'll be lookin' back at me  
til there's nothin left to see
