

## Walking In My Sleep

Pure Prairie League

Fading tail lights, dust in the wind  
You said goodbye so why pretend  
In the light of day I know you're long gone  
But late at night you keep coming back so strong

You're still walking in my sleep, talking in my dreams  
A heartache cutting deep  
Your love is something I can't keep; you're out there  
running free  
But you're still walking in my sleep

All your pictures went up in smoke  
With every letter you wrote  
I cleaned out your closet, there ain't nothing left  
behind  
I've done everything I could to get you off my mind,  
but

You're still walking in my sleep, talking in my dreams  
A heartache cutting deep  
Your love is something I can't keep; you're out there  
running free  
But you're still walking in my sleep

I wake up thinking 'bout you almost every day  
I never dreamed you'd walk away, but

You're still walking in my sleep, talking in my dreams  
A heartache cutting deep  
Your love is something I can't keep; you're out there  
running free  
But you're still walking in my sleep  
You're out there running free  
But you're still walking in my sleep
