

Dive

pureNRG

The long awaited rains have fallen hard upon the thirsty ground
And carved their way to where the wild and rushing river can be
found

And like the rains I have been carried here to where the river
flows, yeah

My heart is racing and my knees are weak as I walk to the edge
I know there is no turning back once my feet have left the ledge

And in the rush I hear a voice, that's telling me it's time
to take a leap of faith. So here I go

[CHORUS]

I'm diving in, I'm going deep in over my head, I want to be
Caught in the rush, lost in the flow, in over my head, I want to
go

The river's deep, the river's wide, the river's water is alive
So sink or swim, I'm diving in

There is a supernatural power in this mighty river's flow
It can bring the dead to life and it can fill an empty soul
And give a heart the only thing worth living and worth dying for,
yeah

But we will never know the awesome power of the grace of God
Until we let ourselves get swept away into this holy flood
So if you'll take my hand
We'll close our eyes and count to three and take the leap of faith
Come on let's go.

[CHORUS]
