

# Here We Go Again

pureNRG

I caught you waking up the sky  
And I could not believe my eyes  
The brightest blue that I had ever seen  
Was looking back at me  
It happens everywhere I go  
I find something that lets me know  
Lord you're always up to something new  
I'm still surprised by you  
I'm ready to be amazed  
[Chorus:]  
Here we go, here we go  
It's a brand new day  
And I sing cause I know  
That you'll lead my way  
Life is good in a world  
Where your wonder never ends  
So here we go again  
So what's it gonna be today  
What you gonna bring my way  
You know I wonder  
What my heart will see  
I'm on the edge of my seat  
And I'm ready to be amazed  
[Chorus]  
Here we go again  
Here we go again  
Yeah, yeah  
I don't ever wanna close my eyes  
Cause I don't wanna let my life pass me by  
With so little time  
And so much to do  
And I wanna spend every second with you  
So what's it gonna be today  
What you gonna bring my way  
You know I wonder  
What my heart will see  
I'm on the edge of my seat  
Now I'm ready to be amazed  
Here we go, here we go  
It's a brand new day  
And I sing cause I know  
That you'll lead my way  
(Lead my way)  
Life is good in a world  
Where your wonder never ends  
Here we go again  
Here we go, here we go  
It's a brand new day  
And I sing cause I know  
That you'll lead my way  
(My way)  
Life is good in a world  
Where your wonder never ends  
So here we go again  
Here we go again (4x)
