Take a look at the mountain
Stretching a mile high
Take a look at the ocean
Far as your eye can see
And think of Me
Take a look at the desert
Do you feel like a grain of sand?
I am with you whenever
Where you go is where I am
I'm always thinking of you
Take a look around you
I'm spellin it out
One by one

I love you more than the sun
And the stars that I taught how to shine
You are Mine, and you shine for Me too,
I love you
Yestarday, and today and tommorrow I'll say
It again and again
I love you more

Just a face in the city,
Just a tear on crowded street
But you're one in a million
And you belong to Me, yeah
And I want you to know
That I'm not letting go
Even when you come undone

I love you more than the sun
And the stars that I taught how to shine
You are Mine, and you shine for Me too,
I love you
Yestarday, and today and tommorrow I'll say
It again and again
I love you more

Shine for Me,
Shine for Me,
Shine for Me,
Shine on,
Shine on
Shine for Me -

I love you more than the sun
And the stars that I taught how to shine
You are Mine, and you shine for Me too,
I love you
Yestarday, and today and tommorrow I'll say
It again and again
I love you more

I love you more than the sun
And the stars that I taught how to shine
You are Mine, and you shine for Me too,
I love you

Yestarday, and today and tommorrow I'll say
It again and again
I love you more
