

## Summertime

pureNRG

It's coming back to me again,  
This feeling I love  
Hanging out with all my friends  
I just can't get enough  
'cause it's a crazy world were in (but thats alright)  
I don't really care what we do (it's alright)  
Everything is cool when I'm with you

Yeah I can't get it off my mind  
I think about it all the time  
It's a feeling that I get, I can't deny  
It's a feeling that I get, I can not hide  
I can't wait for summertime  
I can't wait for summertime

I wish the sun would always shine  
'cause it feels like a dream  
But if it's cloudy we'll be fine  
Yeah it keeps us guessing  
It's like a roller coaster ride (but it's alright)  
Every days a different mystery (it's alright)  
I don't care as long as your with me

Yeah I can't get it off my mind  
I think about it all the time  
It's a feeling that I get, I can't deny  
It's a feeling that I get, I can not hide  
I can't wait for summertime  
I can't wait for summertime

Lets go for a ride  
Lets have a good time  
I just want to fly away  
I can't wait for summertime

Yeah I can't get it off my mind  
I think about it all the time  
It's a feeling that I get, I can't deny  
It's a feeling that I get, I can not hide  
I can't wait for summertime  
I can't wait for summertime  
I can't wait for summertime  
I can't wait for summertime
