

Hands To The Sky

Purple Disco Machine

Hands to the sky this is our time
We're gonna lift each other high
So don't you cry
Baby don't you know that we can fly

Dreaming of a place to wash away
All this hurt and pain, and just let go
We can't wait for our turn in line
For someone else to decide
They can never touch us, the power that we hold... so...
Hands to the sky this is our time
We're gonna lift each other high
So don't you cry
Baby don't you know that we can fly
Unstoppable, now can you feel it?
More powerful when we are one
We can't wait for our turn in line
For someone else to decide
They can never touch us, the power that we hold... so...
Hands to the sky this is our time
We're gonna lift each other high
So don't you cry
Baby don't you know that we can fly

Fly fly fly fly
Fly fly to the
Fly fly fly fly
Fly fly to the
Fly fly fly fly
Fly fly to the
Fly fly fly fly

Fly fly fly fly
Fly fly to the
Fly fly fly fly
Fly fly to the
Fly fly fly fly
Fly fly to the
Fly fly fly fly
Fly fly to the
Fly fly fly fly

There's a movement when we're close
Everlasting powerful
Manifest your inner soul
Something they cannot control
Never changing won't bow down
No more shame the crown is ours
Gasping in their final hours

Oh oh oh oh

Hands to the sky this is our time
We're gonna lift each other high
So don't you cry
Baby don't you know that we can fly

Oh oh oh oh

Hands to the sky this is our time
We're gonna lift each other high
So don't you cry
Baby don't you know that we can fly
