

Dub With Power

Puscifer

Pimpin' like I'm campin'
Bonin' fifty with a forty
What's your twenty, honey, papa's all alone

Empty hissy, left me dizzy
I'm a pirate lost his booty
I'm a pimp without a dog without a bone

Where all my honey gone?
Pooh-bear be cryin'
Some Oreo cracker song
Wigger be tryin' to get his queen to come on home

So pardon all the cheesy
Wigger pimp is feelin' crazy
Daisy Dukes' my kryptonite, Im fondelin'

My pimpin' hand gone limp an'
I'm a trippin' plain and simple
All the po po's, wolves and dogs are closin' in

Where all my honey gone?
Pooh-bear be cryin'
Some Oreo cracker song
Wigger be tryin' to get his queen to come on home

Now I know I ain't no player
Heavy hitter, roller, spitter
Those legit can go ahead and get along
I ain't no cracka' quitta'
Gonna do my best to get her back to
Daddy, honey bring your sweet ass home

Where all my honey gone?
Pooh-bear be cryin'
Some Oreo cracker song
Wigger be tryin' to get his queen to come on home

Where all my honey gone?
Pooh-bear be cryin'
Some Oreo cracker song
Wigger be tryin' to get his queen to come on home

Where all my honey gone?
Pooh-bear be cryin'
Some Oreo cracker song
Wigger be tryin' to get his queen to come on home
