

## Personal Prometheus

Puscifer

Listen closely  
For the echo  
Of your Genesis  
Your inception, your formation  
Your stigmata from Prometheus

Innuendos  
Tracks and traces  
Ring and replicate  
Like maps and legends, through and to you, through and to you  
Just follow all the way

Become your own Prometheus  
Use the flame to  
Burn the tether  
From the Overseer  
Tame the flame to  
Burn tenacious (Tenacious)

Prime directive  
Violated  
Still reverberates  
Puppeteering every action  
Guides your words and ways

Become your own Prometheus  
Use the flame to  
Burn the tether  
From the Overseer  
Tame the flame to  
Burn tenacious (Tenacious)

Become your own Prometheus  
Use the flame to  
Burn the tether  
From the Overseer
