

Postulous

Puscifer

Moderate the middle

Seek the balance
Work the science
Be diligent
Moderate the middle

Assimilate the elements, we are on a mission
Fabricating working models, we are under observation
Assimilate the elements, we are on a mission
Integrating so insuring our continuation

Seek the balance
Work the science

Integrating so insuring our continuation
Synthesizing aberrant, natural selection
Integrating so insuring our continuation
Assimilate the elements, we are on a mission

Seek the balance
Work the science
Be diligent
Moderate the middle

Seek the balance
Work the science
