You're an idiot  
You embody every bit of it  
Even set a new precedent  
Empirical

Concrete evidence  
Minimal due diligence  
We've concluded what is obvious  
You're a bunghole

Concrete evidence

We've concluded what is obvious  
Bloody drongo

Your voice induces migraines  
Your presence party poops the entire room

You're an idiot and a bunghole  
Oooh, you are  
Oooh, god damn  
Oooh, you are  
Oooh, god damn idiot  
Your nature is pugnacious  
Your temperament, deplorable  
So mucous-like, it leaves a residue

You're an idiot  
God damn idiot  
You embody every bit of it

You feel like a wet mudslide  
Obnoxious gear in overdrive  
A walking, talking skid mark prat  
A muppet and a twit and twat  
That's you
