

Theorem

Puscifer

Seek the balance
Work the science
Through diligence
Moderate the middle

Old notions
Traps by nature, holding sentry over
We, the rigid, self-suppressing
New notions
Holes we dig too quickly into which we fall
Just impulsive postulations

Seek the balance
Work the science
Through diligence
Moderate the middle

Resilient
Social architectures must be built upon
Arbitrated firm foundations
Integrating
Form and function, art and order, hope and proof
Math and passion
Theorems old and new
