

# Hear Me Clearly

Pusha T

Hear me clearly, if y'all niggas fear me, just say y'all fear me

These drug dealer Rollies is my TikTok and Triller  
Insecure bitches get lip fillers  
Covered in white like bridezilla  
And never been caught  
So what's the Shiggy dance for a brick nigga?  
Extracurricular  
Art buyer, eight twelve 'Rari driver  
Spent six just to make the roof Harry Potter  
Kilogram Kickstarter push a brick harder  
Left my elbow in the pot à la Vince Carter  
Compared to two martyrs but I'm chasing moguls  
Bosses meet for Hamachi in the back of Nobu  
No phones allowed, no phones allowed  
Cell towers gon' ping from the nearest cloud  
My JanSporters, my transporters and Jan's daughter  
Who put up extra bed sheets to block the camcorders  
You place orders, I hedge bets  
Promises are when you follow through with your threats, nigga

Hear me clearly, if y'all niggas fear me, just say y'all fear me  
Fuck all these fairy tales

Hear me clearly, if y'all niggas fear me, just say y'all fear me  
Fuck all these fairy tales

Buy your bitch a Richard Mille  
If she like Meeks, let no nigga claim rich and let 'em buy you sneaks  
Wish upon a star, that's beyond your reach  
Or you can lay with him in misery and grind your teeth  
Let a brick nigga help you find your peace  
G Wagon your seats, Gs cover your pleats  
Ten toes down, Loewe cover the cleats  
Dope sell itself, got a trunk full of receipts  
Is you lookin' for me or are we lookin' for Meech?  
Stand on my standards, expanded with the Ziploc  
Even if a nigga number better, never clique hop  
Never tell a jeweler what you spent for your wristwatch  
And we don't fuck bitches who fuck niggas on TikTok  
See the difference 'tween me and them?  
I move to a different drum like EDM  
This coke speaks to my soul like a medium  
Fucking comedians

Hear me clearly, if y'all niggas fear me, just say y'all fear me  
Fuck all these fairy tales

Hear me clearly, if y'all niggas fear me, just say y'all fear me  
Fuck all these fairy tales
