

# No Regrets

Pusha T

I'm on the move I can't look back  
Screaming "no regrets, no regrets at all"  
Wasting time I can't get that back  
So everyday I go hard  
Real nigga and all my nigga real niggas  
real figures, (too much money), nothing less  
No regrets, no-no, no regrets

Say hi to the bad guy, say ahhh to the champagne  
Got a call from my jail niggas, said I'm doing my damn thing  
(Woo!) They see I'm doing my damn thing  
Magazines, videos, they ain't missing a damn thing  
Nowadays I sell hope, what you rather I sell dope?  
What I sell is a lifestyle, naked bitches on sailboats  
Foreign cars on a freight train for every nigga they railroad  
Rent-a-cars we road run, money longer than train smoke  
I done been in that same boat, I ain't letting this chain go  
Representing my niggas down till they free 'em like Django  
It's the same old, just the same old  
How the game go, where the pain go, where the blame go  
My mind wanders on a PJ, my momma brought up in the PJs  
In the club sippin' P&J on the same arm as my Piaget (Woo!)  
If I leave today throw the keys away  
But I'mma live today, I wanna see tomorrow  
I wanna lead the way...

I'm on the move I can't look back  
Screaming "no regrets, no regrets at all"  
Wasting time I can't get that back  
So everyday I go hard  
Real nigga and all my nigga real niggas  
real figures, (too much money), nothing less  
No regrets, no-no, no regrets

Momma had me in the ghetto, I was raised in the slums  
Every hero got theme music, I guess I need me some drums  
Streets taught us, streets raised us

Presidential I came back  
April showers I rains back  
Jumped ahead like June something  
Still I'm wheeling that Maybach  
Tom Ford with my braids back  
Tom Ford and my shades black  
Dope boy with a cape on  
Super-sizing that beige back  
All white like Gotti said  
Ye told me I'm outta here  
Mentioned Ye two years ago  
Yeah, I got that by the square  
And you could buy a pair  
20 or more and we'll fly 'em there  
How you acting like I'm ain't here?  
D-boy and I pioneer...
