

Tainted Love

Pussycat Dolls

Sometimes I feel I've got to
Run away I've got to
Get away
From the pain that you drive into the heart of me
The love we share
Seems to go nowhere
And I've lost my light
For I toss and turn I can't sleep at night

Once I ran to you (I ran)
Now I'll run from you
This tainted love you've given
I give you all a girl could give you
Take my tears and that's not nearly all
Oh...tainted love
Tainted love

Now I know I've got to
Run away I've got to
Get away
You don't really want IT any more from me
To make things right
You need someone to hold you tight
And you'LL think love is to pray
But I'm sorry I don't pray that way

Once I ran to you (I ran)
Now I'll run from you
This tainted love you've given
I give you all a girl could give you
Take my tears and that's not nearly all
Oh...tainted love
Tainted love

Don't touch me please
I cannot stand the way you tease
I love you though you hurt me so
But I'm gonna pack my things and go,
Tainted love
Tainted love
Tainted love
Tainted love

Baby, baby.. baby dont leave me
ooo please dont leave me, all by myself
I've got this burnin', yearnin', yearnin' feelin inside me.
Ooohh deep inside me,
And it hurts so bad...
You came into my heart so tenderly,
With a burning love,
That stings like a bee...
Now that I've surrendered so helplessly,
You now wanna leave, oo you wanna leave me...
Oh baby, baby, where did our love go?
Oh don't you leave me,
Don't you leave me no more...
