

## Cha Cha Me Baby

Pussycat

Cha cha me baby  
I'll cha cha you  
just try to move on  
the way I do  
turn around easy  
it's a lovely dance for two  
cha cha me baby  
I'll cha cha you

Cha cha me baby  
that's all I need  
just keep on dancing  
Oh, I don't mind the heat  
down over yonder  
in the darkest avenue  
Cha cha me baby  
I'll cha cha you

I hate those lonely, lonely  
nights in my room  
so if you like to join me  
I'll put on the tune  
cha cha me baby  
cha cha me baby  
cha cha me baby  
Ugh, it's gonna take me  
Ugh, it's gonna take me  
Yeah, it's gonna take me away

Cha cha me baby  
that's all I need  
just keep on dancing  
Oh, I don't mind the heat  
down over yonder  
in the darkest avenue  
Cha cha me baby  
I'll cha cha you
