

Do It

Pussycat

Do it
In the morning
Do it
At night
Do it
Whenever you want (do it)
Come on baby, hold me tight

Do it
In the barnyard
Baby, you can do it in the roof
Do it
Whenever you want (do it)
But I want you to do it soon

Touch me
With your fingertips
Play around with my lips
Hold me
Ooh, I'm in the mood
This is really feeling good
(This is really feeling, feeling good)

Do it
When I'm lazy
Do it
When I'm sad
Do it
I want you to (do it)
Cause this feeling will drive me mad

Who cares
If it's cold outside
When your lips are warm in me
Who knows
What it's really like
This everlasting ecstasy
(Ever everlasting ecstasy)

You gotta do it
(Love love, do it, do it, love love, do it)
Baby, I want you to
(Love love, do it, do it, love love, do it)
You gotta do it
(Love love, do it, do it, love love, do it)
I wanna come over you
(Love love, do it, do it, love love, do it)
Come on, come on, come on, come on, do it
(Love love, do it, do it, love love, do it)
