

Nothing To Hide

Pussycat

Wooh-oh, wooh-oh, wooh
I've lost my control
Don't hide your love away
I'll find it anyway

Wooh-oh, wooh-oh, me
I'm able to see
This is my only chance
To start a real romance

You let me know what a man can do
Please let me know that you love me too
And I whisper in your ears those little things
'Cause I got nothing to hide-hide-hide

Wooh-oh, wooh-oh, I
Won't say goodbye
You are my only one
Without you I can't go on

I lose control when I hold you tight
Don't care at all, it'll be all right
And I'll repeat the little things 'cause I got
Na-na-na-na nothing to hide-hide-hide

Wooh-oh, wooh-oh, wooh
Wooh-oh, wooh-oh, wooh
I'm telling you so
There's nothing I'd rather do
Then simply to be with you

Wooh-oh, wooh-oh, wooh
Wooh-oh, wooh-oh, wooh
Wooh-oh, wooh-oh, wooh
Wooh-oh, wooh-oh, wooh
Wooh-oh, wooh-oh, wooh
Wooh-oh, wooh-oh, wooh...
