

ANIMAL

PVRIS

I'm not somethin' you can tame that easy, tame that easy
You don't know shit about the pain I'm feelin', pain I'm feelin', yea
h

Two-sided like a Gemini, Gemini, Gemini, Gemini-ni
Somebody you don't recognize, recognize, recognize, recogni-nize

Don't tell me that you know me, know me
Sayin' what I feel, what I do, what I want
Quit actin' like you own me, own me
Sayin' that I'm yours to control, but I'm not
Your animal (Ah-ah)
Under control (Oh)
Your animal (Ah-ah)
Sayin' what I feel, what I do, what I want

Is this a twisted fantasy? Yeah, fantasy, yeah
Some pleasure can be damagin', unfair to be, yeah

You know I tell you every time, every time, every time, every time
Two-sided like a Gemini, Gemini, Gemini, Gemini-ni

Don't tell me that you know me, know me
Sayin' what I feel, what I do, what I want
Quit actin' like you own me, own me
Sayin' that I'm yours to control, but I'm not
Your animal (Ah-ah)
Under control (Oh)
Your animal (Ah-ah)
Sayin' what I feel, what I do, what I want

When you cage an animal
Their claws will start to show
They're aimin' at your throat
It's time to let them go
When you cage an animal
Their claws will start to show
They're aimin' at your throat
It's time to let them go

Quit actin' like you own me, own me
Sayin' that I'm yours to control, but I'm not
Your animal (Ah-ah)
Under control (Oh)
Your animal (Ah-ah)
Sayin' what I feel, what I do, what I want

(Ah-ah)
