

## Anyone Else

PVRIS

Oh, my blood, once was my own  
But in one touch you made it yours  
What have you done?  
What have you done?  
Yeah I know I went and left you all alone  
Please don't think that I let you go  
I never let go

'Cause I could touch a hundred thousand souls  
But none of them would ever feel like home  
And no matter how far and wide I roam  
You're the only one that I'll ever know

I don't belong to anyone else  
I don't belong to anyone else  
I don't belong to anyone else  
I don't belong to anyone else

Oh, my blood, once was my own  
But in one touch you made it yours  
What have you done?  
What have you done?  
Oh, my poor bones  
Rearrange them to fit your mold  
Hang me up on your bedroom wall  
Now I can't breathe at all

I don't belong to anyone else  
I don't belong to anyone else  
I know you only hold me to yourself  
I don't belong to anyone else

'Cause I could touch a hundred thousand souls  
But none of them would ever feel like home  
And no matter how far and wide I roam  
I'm the only one I'll ever know

Oh, my blood  
What have you done?  
What have you done?

I don't belong to anyone else (8x)
