

# Hallucinations

PVRIS

Falling backwards  
What comes after the words you said?  
They knocked us from our high  
I always thought we'd have another life  
Dancing alone  
Left in shadows  
I paint you in the corner of my mind  
Pull the colors from the rays of light

Close my eyes, I can't erase you  
(I can't erase you)

Hallucinations, you occupy  
My imagination's running wild  
New sensations, sweet temptations  
I can't tell what's real and what's

So much breakage  
I see your face in blank spaces  
I'm hearing voices out of my TV  
Silent songs what they're singing to me

Close my eyes, I can't embrace you  
(Embrace you, embrace you)  
We're not close, but I still taste you  
(Still taste you, still taste you)

Hallucinations, you occupy

My imagination's running wild  
New sensations, sweet temptations  
I can't tell what's real and what's  
Hallucinations, they satisfy  
Our imagination's running wild  
New sensations, sweet temptations  
I can't tell what's real and what's

Hallucinations, -nations, -nations  
Hallucinations, -nations, -nations  
Hallucinations, -nations, -nations  
Hallucinations (I can't tell what's real and what's...)

(Oh)  
Hallucinations, you occupy  
My imagination's running wild  
New sensations, sweet temptations (I can't tell)  
I can't tell what's real and what's

Hallucinations, -nations, -nations  
Hallucinations, -nations, -nations  
Hallucinations, -nations, -nations  
Hallucinations (I can't tell what's real and what's...)
