

I DON'T WANNA DO THIS ANYMORE

PVRIS

Tell me can you feel a break down?
Does the pressure ever phase out?
I don't ever wanna find out
What happens if we never slow down

Is this just a phase?
Phase from the tension?
And there's no name to a face
To face consequences

Pray for better times
'Cause something doesn't feel right
Am I losing my mind?
Everyday and all night
Promise that I'm fine
But something doesn't feel right
Am I losing my mind?
'Cause lately I've been feeling like

I don't wanna do this anymore
I don't wanna do this anymore
I don't care what I had said before
I don't wanna do this anymore

I don't wanna do this anymore
I don't wanna do this anymore
I don't care what I had said before
I don't wanna do this anymore

Is this just a race?
A race from ascension?
I shoulda known
That it's just a waste
To wait on redemption

Pray for better times
'Cause something doesn't feel right
Am I losing my mind?
Everyday and all night
Promise that I'm fine
But something doesn't feel right
Am I losing my mind?
'Cause lately I've been feeling like

I don't wanna do this anymore
I don't wanna do this anymore
I don't care what I had said before
I don't wanna do this anymore

I don't wanna do this anymore
I don't wanna do this anymore
I don't care what I had said before
I don't wanna do this anymore

I, I don't wanna do this anymore
I, I don't wanna do this anymore
I, I don't wanna do this anymore
I don't wanna do this anymore

Tell me can you feel a break down?
Does the pressure ever phase out?
I don't ever wanna find out
What happens if we never slow down

Tell me can you feel a break down?
Does the pressure ever phase out?
I don't ever wanna find out
What happens if we never slow down

I don't wanna do this anymore
I don't wanna do this anymore
I don't care what I had said before
I don't wanna do this anymore

I don't wanna do this anymore
I don't wanna do this anymore
I don't care what I had said before
I don't wanna do this anymore

I don't wanna do this anymore
I don't wanna do this anymore
I don't care what I had said before
I don't wanna do this anymore

I don't wanna do this anymore
I don't wanna do this anymore
I don't care what I had said before
I don't wanna do this anymore
