

# No Mercy

PVRIS

We've made such a mess of this place  
There's blood stains on your face  
Watch everybody kneel and pray  
In vein, in her name  
God, everybody's sleep walking  
But they think they're awake  
Our hands always covered in shame  
But it won't wash away

There's blood in the water but it tastes so sweet

Show me no mercy  
And let it rain, let it rain  
Show me no mercy  
And let it rain  
If you're gonna make it hurt show me no mercy  
And let it rain, let it rain  
Show me no mercy  
And let it rain  
If you're gonna make it hurt show me no mercy

This place is going up in flames and we watch and we wait  
And I think I kind of like the way it burns in my face

There's blood in the water but it tastes so sweet  
The sky is on fire, let it rain on me

Show me no mercy  
And let it rain, let it rain  
Show me no mercy  
And let it rain  
If you're gonna make it hurt show me no mercy  
And let it rain, let it rain  
Show me no mercy  
And let it rain  
If you're gonna make it hurt show me no mercy

There's blood in the water  
There's blood in the water  
There's blood in the water but it tastes so sweet  
There's blood in the water  
There's blood in the water  
There's blood in the water but it tastes so sweet

Show me no mercy  
And let it rain, let it rain  
Show me no mercy  
And let it rain  
If you're gonna make it hurt show me no mercy  
And let it rain, let it rain  
Show me no mercy  
And let it rain  
If you're gonna make it hurt show me no mercy  
And let it rain, let it rain  
Show me no mercy  
And let it rain  
If you're gonna make it hurt show me no
