

SENTI-MENTAL

PVRIS

Can't be breaking down
No, I barely cry
'Cause I'm too worn out
Got me half alive

Friends are phasing out
Always say goodbye
Am I losing touch, do I feel enough?
But I know if I

If I was sentimental
I'd go mental
Start spinning out of control
Psycho central
If I was sentimental, I'd be losing my mind
Lose my mind, lose my mind, lose my mind, ooh

Scream it makes no sound
I could testify
Explaining how time has bled me dry
You say I'm vacant now
When it's justified
If you called my bluff, I could lose your love
And I know I'd be fine

If I was sentimental
I'd go mental
Start spinning out of control
Psycho central
If I was sentimental, I'd be losing my mind
Lose my mind, lose my mind, lose my mind, ooh

If I was sentimental
I'd go mental
Start spinning out of control
Psycho central
If I was sentimental, I'd be losing my mind
Lose my mind, lose my mind, lose my mind, ooh

If I was sentimental
If I was sentimental
If I was sentimental, I'd be losing my mind
Mind
Lose my mind, ooh

If I was sentimental
I'd go mental
Start spinning out of control
Psycho central
If I was sentimental, I'd be losing my mind
Lose my mind, lose my mind, lose my mind, ooh

Ooh, ooh, ooh, ooh
Lose my mind, ooh
Ooh, ooh, ooh, ooh
Lose my mind
