

# The Heartless

PVRIS

Your doubts of me are constant reminders  
Of why I should stop hoping  
It's hard to dream with eyes stitched open  
I can feel them pull me under  
They can take my sights but they can't take me

They pull me under every night  
They're always waiting for me and I know it  
And they sing together  
Put your heart to your eyes and you'll find,  
yeah, you'll find, what you're looking for

I can feel them pull me under  
Taking my sights but you can't take me

They pull me under every night  
They're always waiting for me and I know it  
And they sing together  
Put your heart to your eyes and you'll find,  
yeah, you'll find, what you're looking for

Keep your eyes off the door  
And I won't let them pull you under

Keep your eyes on me  
I won't let them pull you under

Keep your eyes on me

They pull me under every night  
They're always waiting for me and I know it  
And they sing together  
Put your heart to your eyes and you'll find,  
yeah, you'll find, what you're looking for
