

All The Boys

PWR BTTM

All the boys say
They don't love me
All the boys say
They don't love me at all
All the boys say
They don't love me but
I know they're lying

All the boys say
They don't want to hug me
All the boys say
They don't want to hug me at all
All the boys say
They don't want to hug me
But I know they're lying

Bitch I might be
Bitch I might be
Bitch I might be
But I know they're lying

All the boys say
They don't love me
All the boys say
They don't love me
All the boys say
They don't love me but
I know they're lying
