

House In Virginia

PWR BTTM

Hey there, baby
Why are you so handsome
Gaymazing, and nice?

Makes me wanna stay up all night
Because I'm sick of waiting out, sick of going down

Hey there, baby
Why are you so handsome
Gaymazing and nice?

Makes me wanna stay up all night
Because I'm sick of waiting out
Sick of going down
Because I'm sick of waiting out
Sick of going down
Because I'm sick of waiting out
Sick of going down
Because I'm sick of waiting out
Sick of waiting out

I've got a friend
He's at the end
At his House In Virginia
With me

I hope this friend
He'll understand
That I just need a second to breathe
And I'll stay up all night

I think this friend
He'll understand
At this House In Virginia
With me

He'll almost stand
He'll act like a man
We'll see in the morning
We'll see

And I'll stay up all night
