

Kill All Assholes

PWR BTTM

You're fucking disgusting
I'm over it
You're voice is so shitty
It's time to go
Go to meet your maker
You aren't high fashion
I am your goddess
Prepare to die

Kill all assholes 123
It's not hard just do it with me
Kill all assholes 666
Let's just get it over with
Kill all assholes 69
I'll eat your heart and make it mine
Kill all assholes
Kill all assholes

How fucking dare you
You alcoholic
Bow down before me
Beg for your life
To bad you can't have it
You're an LA zombie
I am a zombie
Prepare to die

Kill all assholes 123
It's not hard just do it with me
Kill all assholes 666
Let's just get it over with
Kill all assholes 69
I'll eat your heart and make it mine
Kill all assholes
Kill all assholes
