PWR BTTM

Goddamn, everyone run
I'm so sick of being young
Don't let them take your heart
If they do, they'll tear it apart

I'm feeling like the son of my dad
(Son of my dad)
Feeling so sad

Goddamn, everyone's dumb
I'm too old for being young
Don't let them take your heart
If they do, they'll tear it apart

I'm feeling like the son of my dad
(Son of my dad)
