

Oh, Boy

PWR BTTM

Oh, boy
Do you wanna come over in an hour?
You may leave a sour taste in my mouth

Oh, boy
Do you wanna be my lover?
I would love you, and I'd love you, and I'd love you, and I'd n
ever recover

Don't you know how much I suffer?
Don't you know how much I suffer?
Don't you know how much I suffer?

Oh, boy
Can you tell I am trying?
If you die, then I will die a trillion times

Oh, boy
It feels like I am dying
Stay with me an hour and I'll be fine

Don't you know how much I suffer?
Don't you know how much I suffer?
Don't you know?
