

## I Don't Know

Pyogenesis

Why don't  
why don't you trust me  
don't you believe me  
don't you believe  
Here comes your fortune  
the one and only  
the one who's holy  
I wish I was  
Everything you wanna know oh you my dear  
I don't know, I don't know, I don't know  
Everything you wanna know oh you my dear  
I don't know, I don't know, I don't know  
My love  
so close to your heart  
whenever I'll start  
it's not gonna work  
Cause I am failing (failing)  
in what I'm trying (trying)  
for love I'm crying (crying)  
My heart beats fast (so fast)  
Everything you wanna know oh you my dear  
I don't know, I don't know, I don't know  
Everything you wanna know oh you my dear  
I don't know, I don't know, I don't know
