

Will I Ever Feel the Same

Pyogenesis

I feel hopeless
Day by day
Life destructive
No heart to stay

Can anybody help me? (oh-oh-oh)
By whispering my name
Can anybody treat me? (oh-oh-oh)
Will I ever feel the same?
Yeah, ever feel the same?
Will I ever feel the same?

Men are more moral
Than they think
(And) far more immoral
Than they can imagine

Can anybody help me? (oh-oh-oh)
By whispering my name
Can anybody treat me? (oh-oh-oh)
Will I ever feel the same?
Yeah, ever feel the same?
Will I ever feel the same?

Will I ever feel the same?
Will I ever feel the same?
