Weak...

Tell me what should I do
Try to keep my cool, cause you know I'm feeling you
I can't keep my eye's off of you
(Everytime you come around, I just wanna make you mine)
Everything you say to me I get so weak in the knees
I can't hardly speak, now baby I see it's really starting to get to me
And I can't let my feelings show

Baby can't you see what you do to me
I can't get you off my mind
My world starts spinning and my heart starts beating over time
Oh baby

Everytime you come around I get weak
I get so excited boy you know I can't speak
So tell me what a girl should do cause.. oh baby, baby you know, you keep on
turning me on
Everytime you come around, I try to let you know, I get emotional
I can't explain what's inside of me
Oh baby, baby I get weak

Weak... you get me weak, yeah, yeah, yeah...

Baby did you know, how you make me feel
I get excited when I see you coming over here
Cause you really got a (hold on me) I couldn't let it go even if I wanted to
(Every time I see you smile)
I get a feeling down deep inside oh baby
It let's me know that you're the one for me, oh baby

Baby can you see, what you do to me
I can't get you off my mind
One day you'll see that I will make you mine (make you mine, make you mine)

Everytime you come around I get weak
I get so excited boy you know I can't speak
So tell me what a girl should do cause.. oh baby, baby you know, you keep on
turning me on
Everytime you come around, I try to let you know, I get emotional
I can't explain what's inside of me
Oh baby, baby I get weak

I never felt this way before
But I should have known
I would fall so deep in love with only you
And my friends keep telling me
That I should get over
Get over being a fool but I can't 'cause I'm in love with you
(Weak)
(Weak)

Everytime you come around I get weak
I get so excited boy you know I can't speak
So tell me what a girl should do cause.. oh baby, baby you know, you keep on
turning me on
Everytime you come around, I try to let you know, I get emotional

I can't explain what's inside of me
