

# Goodbye Horses

Q Lazzarus

Hoo, hoo-hoo, hoo-hoo

Goodbye horses  
I'm flying over you  
Goodbye horses  
I'm flying over you

Goodbye horses  
I'm flying over you  
Goodbye horses  
I'm flying, flying, flying over you!

He told me, I seen you rise  
But, it always falls  
I see him come, I see him go

He says
