

# I See Your Eyes

Q Lazzarus

Why

Did you tell a lie?

Did you really think I'd lay down and die?

Oh, no, no, no, no

I really want you to know

It's you

Only you

They all told me what I'd get from you

Oh, no, no, no, no

I really want you to know

I, I see your eyes

Oh, I, I see your eyes

I, I see your eyes

I, I see your eyes

Boo

I put a spell on you

Turn the mirror 'round and look at the view

Oh, no, no, no, no

I really want you to know

Go

I want you to go

And when you think of me, let your feelings grow

Oh, no, no, no, no

I really want you to know

I, I see your eyes

Oh, I, I see your eyes

I, I see your eyes

I, I see your eyes

I, I see your eyes

I, I see your eyes

Oh, I, I see your eyes

I, I see your eyes

Oh, I, I see your eyes

I, I see your eyes

I, I see your eyes
