Love lust

Hoo

Oh

Mmm

When you get the feeling something's about to burst, hey  
And it gets extremely hard to quench your loving thirst, mmm  
You look for some attention or you can call it lust, mmm

Love is love and lust is lust  
Did you, did you fall in lust?  
Love is love and lust is lust  
Did you, did you fall in lust?

Dollars on the table, clothes go on the floor  
Ooh, just to make you able to ask me for more, yeah, hey

Love is love and lust is lust  
Did you, did you fall in lust?  
Love is love and lust is lust  
Did you, did you fall in lust?  
Love is love and lust is lust  
Did you, did you fall in lust?  
Love is love and lust is lust  
Did you, did you fall in lust?

Making my living while I'm making my loving  
Making my loving while I make my living  
Making my living while I'm making my loving  
Making my loving while I make my living

Love lust

Dollars on the table (Yes), clothes goes on the floor, hey, hey (Yes)  
Just to make you able (Love lust) just to ask for more, yeah  
There's a price on my head, there's a price to all that  
And that's the price you're gonna have to pay  
Nothing comes from nothing

Dollars on the table (Love is love), clothes goes on the floor (Lust is lust  
)  
Just to make you able (Love is love) just to ask for more, yeah (Love is lust)  
Dollars on the table (Love is love and lust is lust), clothes goes on the floor  
(Love is love)  
Just to make you able (Love is love), yeah, to ask me for more (Lust is lust  
)

Love is love and lust is lust  
Did you, did you fall in lust?  
Love is love and lust is lust

Baby (Baby), I make my living, making loving (Making)  
Baby, you ain't gonna ask me for more

Love is love and lust is lust  
Did you, did you fall in lust? (Uh-huh)

Making my living while I'm making my loving  
Making my loving while I make my living (Nothing comes from nothing)  
Making my living while I'm making my loving  
Making my loving while I make my living
