

Only You Can Light The Candle

Q Lazzarus

Is it love, is it hate? Is it love, is it hate? Is it love, is it hate?
Ah-ah-ah-ah (Yeah) ah-ah-ah-ah (Ah-ah-ah-ah-ah-ah) Ah-ah-ah-ah-ah-aah

Inside you, somewhere, something has fallen apart
Something you can't put your finger on
A battle of need, greed and what you really want left you
Oo, with a bloodless heart, left you (left you)
In a desert (in a desert)
In a desert (in a desert)
Without a sign

Is it love? Is it hate? Is it love? Is it hate?
Is it love? Is it hate? Is it love?
Is it love? Is it hate? Is it love? Is it hate?
That brings me back in time?

As the years went by
Erased what once held your head up high
So proud to be alive
One fall and you said goodbye
To life

Only you (only you) can light the candle (can light the candle)
Only you (only you) can find the answer (can find the answer)
Only you (only you) can light the candle (can light the candle)

Inside you, somewhere, something has fallen apart
Something you can't put your finger on

Those smiles (those smiles), your memories (memories), so near your heart, (near your heart) [?] if losing one
You lost them all (you lost them all)

Is it love? Is it hate? Is it love? (gather the children) Is it hate?
Is it love? Is it hate? (let them know it's gonna - hey) Is it love?
Is it love? Is it hate? (stand up and let them know that) Is it love? Is it hate?
That brings me back in time?

Only you can light the candle
Only you can find the answer
Only you can light the candle (only you, only you, only you)
Can light the candle

Over and over (over), over and over
Over again before your eyes (before your eyes)
Like a bright moon in the dark

Visions and faces and all the places you left behind
Like thunder, like thunder in your heart
Left you (left you) in a desert (in a desert)
In a desert (in a desert) without a sign (without a sign)

Is it love? Is it hate? Is it love? Is it hate?
Is it love? (only you) Is it hate? Is it love? (only you)
Is it love? Is it hate? Is it love? Is it hate?
That brings me back in time? (can light the candle)

Only you (only you) can light the candle (can light the candle)
Only you (only you) can find the answer (can find the answer)
Only you (can find the answer) can light the candle
(Oh) Light the candle (you gotta, you gotta light that candle)

Only you (only you) can light the candle (only you), only you can light the
