

bad man

Q

I did a lot about things in the past
I put it in a casket, I changed, I'm not a bad man
Bad man
Bad man
Bad ma-a-an
Been a passed down thing to figure out my ancestors been bad
But I say I'm not a bad man
Bad man
Bad man
Bad, bad man

It's alright (I'd rather show you what I'm bout)
You're OK (Before I move to figure 8)
To figure out (I want my future to be free)
How you feel (This ain't a ordinary day)
If it's time (This ain't bad vibes, baby, this is primetime)
You free up (So what, you bout that?)
To take your mind
Let's be equal

I want you back but when you're ready
(Anything goes, anything goes)
Can I please ya? (When you're ready, when you're ready)
Girl, I want ya (When you're ready, when you're ready)
And I know that you know this (When you're ready, when you're ready)
I think I had a big ego
Nah, nah-ahhh
I think I had a big ego
But I'm alright, alright

It's my fault (I'd rather show you what I'm bout)
How you feel (Before I move to figure 8)
It's valid, girl (I want the future to be free)
But don't kill (This ain't a ordinary day)
This beautiful power (Is this the bad times, baby, this the bad vibes)
In this [drugs and all?] (So what?)
Power to you and all, oh

I want you back but when you're ready
(Anything goes, anything goes)
Can I please ya? (When you're ready, when you're ready)
Girl, I want ya (When you're ready, when you're ready)
And I know that you know this (When you're ready, when you're ready)
I think I had a big ego
Nah, nah-ahhh
I think I had a big ego
But I'm alright, alright

But I see you like how I'm moving now
You see evil face
Through the dark night chase
It's a safe, safe space
And I'll wait this time
You forgive me
I see you, baby
I see you, baby, hey-heh
I see you, baby

I see you, baby, hey-heh

It's alright (Woop!)

I did a lot about things in the past

I put it in a casket, I changed, I'm not a bad man

Bad man

Bad man

Yeah, bad man
